Designer Two Bedroom Apartment plus Study with North Facing City Views

Located in the stunning P.M. apartment complex this sleek, new, two-bedroom apartment plus study presents itself as cosmopolitan, bayside living at its finest, complete with awe inspiring bay views. P.M. is a landmark project developed by Third Street and designed by the esteemed Elenberg Fraser, featuring landscaping by Jack Merlo.

Meticulously designed with a bright and airy open and accommodating floor plan, the living space is a perfect combination of sophisticated finishes and modern practicality. To the right upon entry, the full-sized gourmet kitchen is equipped with stone topped benches, custom cabinetry, sleek stainless steel appliances, champagne tapware, and feature smoke-glass splashbacks giving the illusion of an even bigger space while adding a modern flair. Step through to the inviting dining space and open plan living area which captures maximum light and leads out to a covered private balcony with full City skyline views - perfect for a few drinks after a long day or outdoor entertaining. Both bedrooms are generously appointed and take advantage of the same stunning views with the master extending out to the balcony and includes a gleaming, sleek ensuite and spacious walk-in robe. An immaculate central bathroom/laundry with bespoke tiling and champagne coloured tapware completes the picture. The apartment is also complemented with a secure underground car space, separate storage cage and secure intercom entry.

P.M. residents can also utilise the luxurious common amenities such as a rooftop garden with BBQ, lounge and private dining rooms, pools and spas with private cabanas and sun lounges and games room, theatre and fully equipped gymnasium. Acclaimed restaurant Elma and resort style eatery Sol & Luna are also located onsite.

Located within walking distance numerous parks, newly dedicated sports and lifestyle reserved as well as the iconic Port Melbourne beach and Princes Pier, take advantage of the imitable bayside lifestyle. The ever-lively Bay Street is also a short drive away and offers a world of chic cafes, boutique exercise studios, bustling retail and delicious restaurants.
