THE LOCATION

When it comes to location, it doesn't get much more central than this popular riverside locale - moments from picturesque McDougall Lake, Canning Bridge Train Station, freeway access, a growing selection of bars, cafes and restaurants, and convenient public transport on your doorstep. Stroll across the bridge to The Rowing Pavilion, The Raffles or Clancy's, or venture into Applecross Village, the Preston Street Precinct and South Perth.

THE DEVELOPMENT

Setting a new benchmark in apartment living where art meets architecture, this brand-new boutique development at 21 Henley Street makes a bold and artistic addition to the local streetscape.

Sustainability is at the forefront of this project, starting with the idyllic north-facing aspect and solar network to offset energy costs. Further environmental considerations include double glazing with reflective 'Low-E' coating to all windows and external doors, electric vehicle charging points, extensive landscaping at the ground level and balcony-mounted planter boxes - all contributing to the impressive 8.4-star energy rating, while bicycle parking encourages residents to take advantage of the nearby picturesque riverside cycle paths and reduce car usage.
