Itâ€™s hard to imagine it from the kerb in this quiet cul-de-sac, but number 28 offers you a whopping SIX bedrooms

across two levels. Out front, a double carport and driveway takes care of your vehicles. From here, the two levels of living reveal the plentiful space inside.

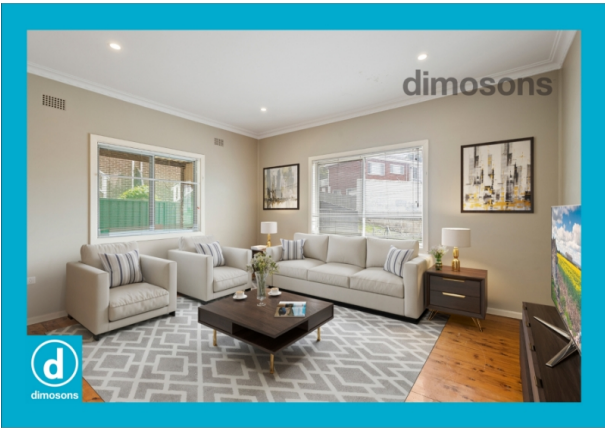

Out front, a large verandah enjoys lake views, while inside original polished timber floors flow through the living areas, long hallway and bedrooms of this top level. Clearly the original home, the kitchen and bathroom here have been refurbished, the latter including separate bath and shower.

Extra wow factor comes downstairs, with a separate entrance delivering you to a modern space with feature floor tiles throughout and gleaming kitchen and bathroom (again with separate tub and shower). The bedrooms are carpeted, and it also includes an internal laundry.

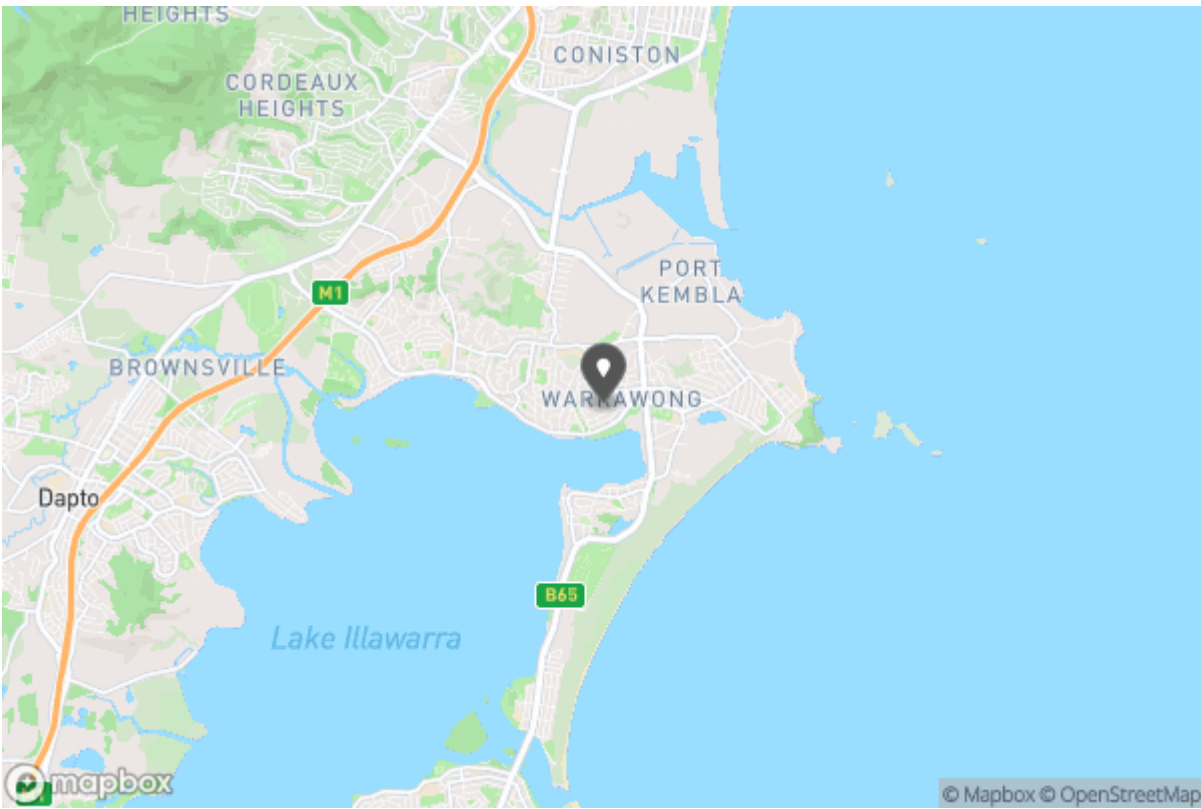

The versatility of each level allows you to occupy each separately – ideal for a family with different generations or a co-living arrangement making the most of the location near schools, shops, beaches and more.
