Big in all the right places

What's in a name you may ask? When the name is Peter Overman, nothing else needs to be said....

Inspired by the ethos of mid-century modernism design, the multi award winning architect Peter Overman's designs were famed to be "Simplistic in Form and Refined in Materiality and Detail, while also being experimental, inspirational and functional".

With the above being said, even if you're not an architectural buff, this fabulous tri-level home will capture your imagination and offers stunning views over Melville Waters and beyond.
