Useful Information

A 12 month lease is the standard lease term - anything longer or shorter will be advertised or considered upon application.

If the rent price has a range, EG: \$350 - \$400 per week, this means that the owner is willing to consider offers between the two price ranges.

It is policy to either view the property, or have someone view the property on your behalf before your application can be accepted.

Pets will be considered upon application only.

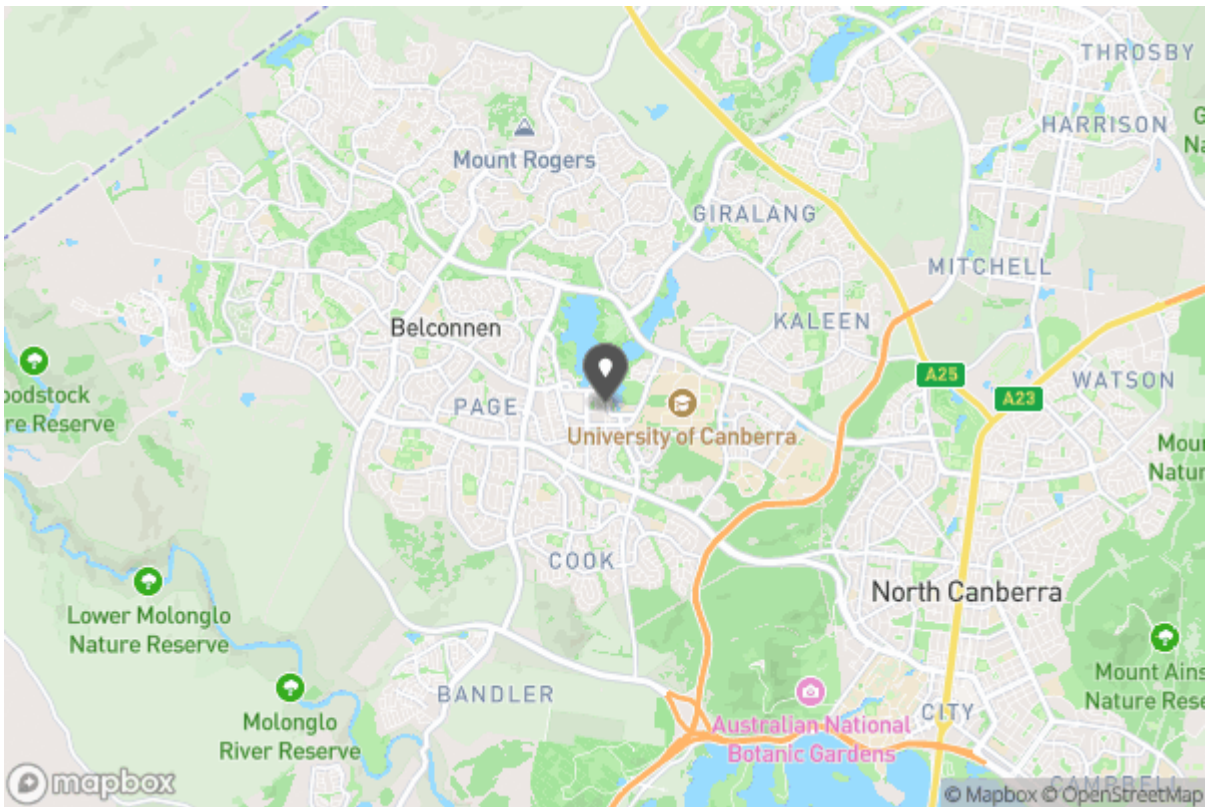

Please note - if the property isn't advertised as 'Available Now' this means that the property is currently tenanted, making Saturday viewings all that we will have available until after this date.
