## Unbeatable Noosa Hill Location

Set high on tightly held Noosa Hill, this beautifully refreshed two-story residence captures the essence of what makes Viewland Drive so enduringly sought after.

Positioned within Noosa's prestigious Golden Triangle, 4/24 Viewland Drive places you between the energy of Hastings Street, the natural beauty of Noosa National Park and the vibrant village feel of Noosa Junction, creating a lifestyle that feels both connected and quietly exclusive.

Inside, the home has been fully repainted, giving the interiors a crisp and contemporary feel that immediately lifts the space. New curtains throughout add softness and privacy, while new fans and lights installed across all bedrooms, along with updated fans and lighting in the downstairs living and dining area, bring a fresh sense of comfort and cohesion. The result is a home that feels brighter, lighter and ready to be enjoyed from day one.

There is an ease to this address that is hard to replicate. Mornings can begin with coffee in Noosa Junction, afternoons can unfold on Hastings Street or along the coastline, and weekends can move effortlessly between the national park, boutique shopping, long lunches and the beach. This is the beauty of Noosa Hill living. Everything iconic about Noosa sits within easy reach, yet home remains elevated, peaceful and tucked away from the bustle. The property sits in one of Noosa Heads most tightly held residential pockets, on the same prized street as other premium residences within the

Golden Triangle.

The appeal here lies not only in the location, but in the feeling the home creates. Freshly updated and beautifully presented, it offers a low maintenance lifestyle with all the right foundations already in place. Whether you are drawn to the walkable convenience, the prestige of the address or the simple pleasure of living moments from beaches, boutiques and coastal walking trails, this is a home that delivers the Noosa experience in a way that feels effortless and authentic.
