CENTRAL FREMANTLE LIVING

Situated in the heart of Fremantle's historic, this recently renovated fully furnished townhouse in a small complex would be a joy to live in.

The location is second to none. Leake Street is a small street, tucked away yet so very close to all of Fremantle's best and most loved attractions. From your new home, you can walk in just minutes to the cappuccino strip, most of Fremantle's famous restaurants and neighbouring bars, Notre Dame University, Esplanade Park, Fishing Boat Harbor, Bathers Beach and the Fremantle Markets.

The home is set across 2.5 levels with living, dining on the ground floor, bathroom and laundry in the middle and the fabulous bedroom come sitting room / study is at the top.

The easy care courtyard is the ideal place to sit and have a chat and share a drink with friends.

Whilst you will have your own car bay in a secured area, if you prefer not to drive, the train and bus stations are also just a short stroll away.

Please register your interest to receive details of Inspection.

Why Book with Space Real Estate

With our agency, you can book Property Inspections 24/7 on your computer, tablet or smartphone. When you do, you will receive an immediate response confirming your booking via email and SMS. Should the property be leased, the inspection time changed or cancelled for any reason, you will be informed the second it happens keeping you up to date.

You can also change or cancel your booking at any time if you no longer wish to attend or the times are no longer suitable. As part of your booking, we will send you reminders of the inspection as well as directions to the property to make the process of inspecting the property seamless.

Finally, should you wish to apply for the property, all of the relevant information including PDF or online applications details will be provided so you can apply as quickly as possible.

Tenancy Application

A copy of the General Tenancy Agreement for this property, including all special conditions is available via the following link:
