QUALITY OVER QUANTITY

Pack your bags and upgrade to this very low maintenance apartment in the Horizon.

Enter the secure complex into the well-appointed foyer area arriving to the elevators that only allows you to your specific apartment floor.

The communal floor landing is furnished with quality furniture and allows you the space to sit and take a moment to relax.

The apartment has a neutral palette throughout including carpet throughout that match the colour of the tiles in the wet areas.

There is an abundance of natural light that fulfills the room through the large ceiling to floor windows, showing nature's beauty over Scarborough including the Beach.

This apartment has that homely feel, making it that much harder to leave.

To top it off, you also have access to the communal Terrace on Level 8 that has breath taking views and an enjoyable space to socialise and relax.

To simply tick off your list of what you are looking for in a home, I have bullet pointed the inclusions below;

1 bedrooms with built in robes

1 bathrooms with a his and her sink in the ensuite

Kitchen with induction cooktop, feature lights over the benchtop and space for storage

Laundry nook

Balcony for your personal use

Ducted Air Conditioner

1 secure car bays

Store room

Security entry door to the complex and the elevator does require a FOB to access your floor only.

A communal terrace on level 8

You could not ask for anything more from the location. You are amongst it all with the beach only seconds away including cafes, restaurant, night life and transport.
