4 Bedroom Family Home

Built on the high side of the street, the sublimely attractive facade of the home is surrounded by landscaped gardens. The driveway leads to the double remote garage, and a covered front porch offers the perfect place to enjoy the afternoon breeze.

The dining room naturally flows into the open-plan kitchen and lounge area, which is generously proportioned and enjoys split system air-conditioning. Modern appliances include a dishwasher, oven and electric cook top, complemented by plenty of cupboard and bench space and a pantry.

The four generous bedrooms have carpeting, ceiling fans and three with built-in-robos. The master comes with a split-system air-con unit, a walk-in-robe and ensuite-bathroom. The other bedrooms are serviced by a main bathroom featuring a separate bathtub and shower and a vanity.

The low maintenance back yard can be enjoyed from the comfort of the outdoor covered patio area.

Located within easy reach of the Pacific and Gateway Motorways, you are just a short drive from Garden City and a short walk to a number of parks. Proudly sitting in the Mansfield State High and Wishart State School catchment zones, you also have the choice of a number of other fine schools nearby.
