Quiet East-Facing Beachside Townhouse with Pool, Walk to Peregrin Village

Set within one of Peregrin Beach's most established residential streets, 6/2 Martin Street offers a calm, well-considered townhouse for those looking to genuinely settle into coastal living. Close enough to walk to the beach and village, yet removed from the turnover of holiday pockets, it's a location that supports routine, balance and long-term comfort.

The home is arranged to feel practical and liveable rather than transient. Living and dining areas are light-filled and relaxed, with a layout that supports everyday rhythms, morning coffees, working from home, quiet evenings in, and easy informal entertaining. Ceiling fans and air-conditioning throughout ensure comfort across seasons, while natural light and coastal airflow keep the home feeling fresh and easy year-round.

An east-facing balcony extends the living space outdoors, catching the morning sun and offering gentle ocean glimpses along with the calming sound of waves nearby, a subtle reminder of how close the coastline really is. It's an easy space to start the day or wind down in the evening, without feeling exposed or overstated.

The kitchen is integrated into the main living zone, straightforward and functional, designed for daily use rather than display. Bedrooms are well-proportioned and privately positioned, each benefiting from ceiling fans and air-conditioning
