So Much Living Space...You need to inspect to be amazed!!!

From the front you will notice lovely timber french doors which lead out to the front verandah, but you would never imagine what is beyond that. This home is just massive, as you open the front door, you walk into one of the biggest living areas I have seen. The property also features;

- * A sleek modern kitchen with an island bench, so many cupboards and stainless steel appliances including a dishwasher and electric cooking
- * Open plan living which leads to the media room which then opens out to the rear deck
- * Master bedroom is at the back of the home and separate from all the other rooms. You also have your own en-suite and a spacious walk in robe plus access to the rear deck. Master also has airconditioning and ceiling fans
- Three other spacious bedrooms, all having built in robes, ceiling fans and two having their own access to the front verandah
- * The master bathroom is also an ample size and has a separate shower and bath
- * Internal laundry with access out to the yard
- * Fully fenced yard with a lock up garage, water tank and plenty of storage under the home.
