Privacy, peace and tranquillity in the heart of Noosa

Hidden in a sought after Noosa Heads enclave where the street is lined with beautiful established trees, 9 David Street is the kind of home that feels like a true local secret. Calm, private and effortlessly welcoming, it carries a coastal warmth that invites you to slow down, open the doors, and let the days unfold at their own pace.

From the moment you step inside, the home feels considered and complete. Bright, crisp interiors meet pale timber floors, while high raked ceilings lift the main living zone into something airy and sun filled. This is a home designed for real life in Noosa, easy, relaxed, and made for time spent together.

At the heart of the home, the central kitchen and living space connects naturally to the outdoor zones, delivering the kind of indoor outdoor flow Noosa does so well. A clean modern coastal kitchen anchors the space, while the living area is generous and inviting, with character touches that make it feel like a home rather than a showpiece.

Outdoors is where the lifestyle truly lands. A wide deck becomes your everyday retreat, perfect for morning coffee, family dinners, or a quiet reset after the beach. Beyond, the pool area is framed by greenery and timber, creating a private sanctuary that feels removed from the world, yet sits right in the middle of everything that matters.

The layout is a standout for both privacy and practicality. The master bedroom is positioned downstairs, separated from

the rest of the home for a quieter rhythm and genuine retreat. Upstairs, two good sized bedrooms are supported by a large bathroom, making the upper level ideal for children, guests, or a dedicated work from home setup that still feels tucked away.

Add in the lifestyle details that locals love most. Walk your kayak to Weyba Creek and explore the waterways around Noosa, with serene natural landscapes and excellent fishing at your fingertips. On weekends, Sunday markets are accessed via a wooden footbridge, so even the grocery run feels like part of the Noosa routine.
