We thank you for your understanding and cooperation during this time.

All the charm and classic looks of yesteryear, it's no wonder these homes are so popular.

With high ceilings throughout, the feeling of space is apparent.

The modern kitchen is the hub of the home with Gas cooking, dishwasher, pantry and pura tap. Overlooking the large rear living area with reverse cycle air conditioning, gas heating with built in cabinetry beautiful views into the private rear gardens.

There are 3 good sized bedrooms; the master and bedroom 2 have built in robes.

The flooring is a combination of carpets and tiling and the whole home is completed in neutral tones throughout.

Outside the gardens are easy care and low maintenance and there is a brilliant rear veranda/entertaining area with garden shed.

The home is completed with a lock up garage with dual access to the rear yard.
