LEASED BY SHORES

You really can't get much closer to the surf than this! A path and a reserve, and you're there. Overall, there are 18 apartments here, but just 6 use this entry.

So, what've we got?

A raised ground floor apartment, with a good-sized bright living room at the front, opening to a raised balcony, and a surprisingly large, long, kitchen.

There's a large built-in storage cupboard in the living room, plus three bedrooms, all with built-ins, one of which, sharing the front balcony, would make a great study - that's if you don't need a third bed. The master has views straight out to the South Pacific...and a Nth/East facing balcony.

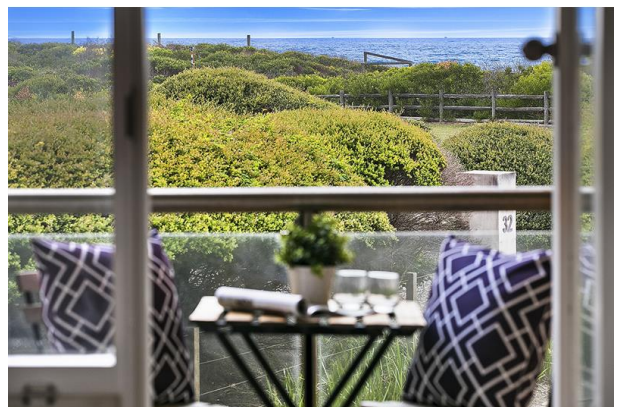

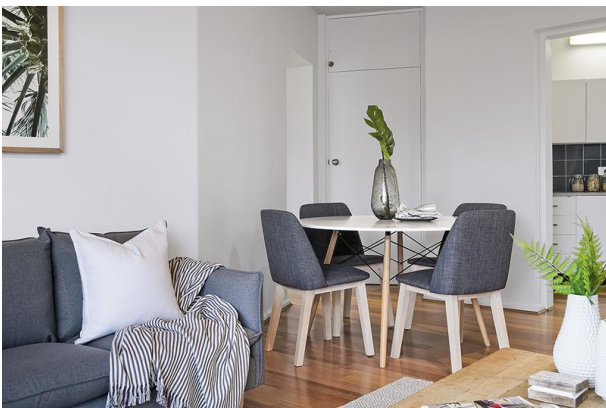

It all looks pretty solid. It's just been freshly painted. Outside, there's a designated covered parking space. Beyond that there's the sandy beach!

Newport's cafes, shops, bars and buses are all literally a moment's walk away.
