LEASED BY SHORES

Love, money and the careful use of concrete, insulation, and modern glazing have brought these mid-century classic apartments back to life – in a big way!

The 'house' is in fact, two separate apartments; ground and first floor, each designed as such, with separate entries and a solid concrete floor between the two levels. It will be leased as two separate 3 bedroom units: upper (#15) and lower (#15a). The whole building has been masterfully restored with beautiful brand new cutting edge designer bathrooms (heated floors and towel rails) and brand new fresh kitchens, and completely painted inside and out. Each unit has three good sized bedrooms – with built-in robes and huge windows showcasing the tropical garden and lawn surroundings. Each apartment enjoys its own garden and separate car parking, making full use of the substantial sunny north facing block.

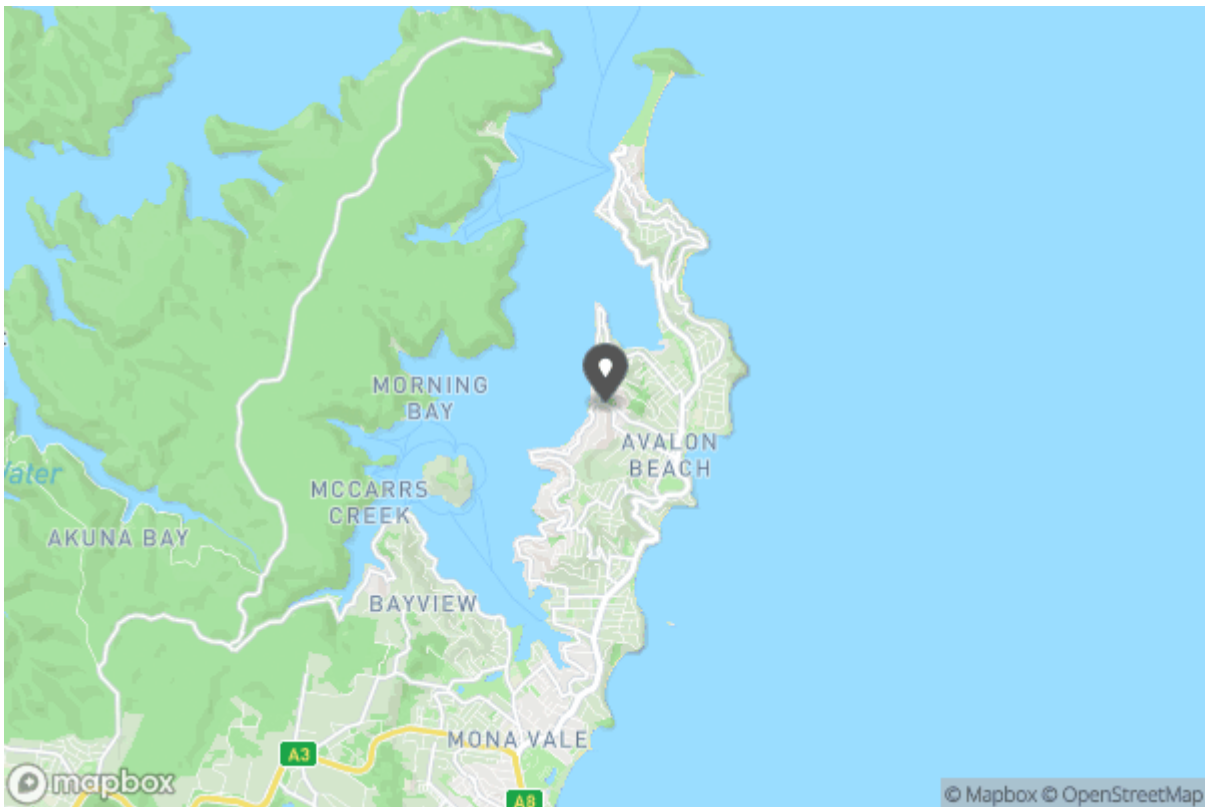

Positioned a very short walk to Pittwater's beautiful Paradise Beach and sea pool, local schools and Avalon village, the block is slightly elevated and bathed in northerly light, and just 'round the corner to the fancy food and wine now on offer at Hilltop Shops.

Modern Lovers, this one's for you!
