## Stand alone classic Port home

Featuring large rooms and an even larger back yard, this stand alone home will suit anyone looking for seaside suburban space!

- 2-3 bedroom house in quiet street
- New floors in the kitchen/dining
- Newly renovated covered wrap around front veranda
- High ceilings and classic features
- Large carpeted bedrooms
- 3rd bedroom or lounge room – you choose
- Close to transport, shops, beach and more!

Located in the quiet northern streets of Port Kembla, this older style home may be just what you're after. That's because of the flexibility to convert rooms and the sheer space of the enormous yard!

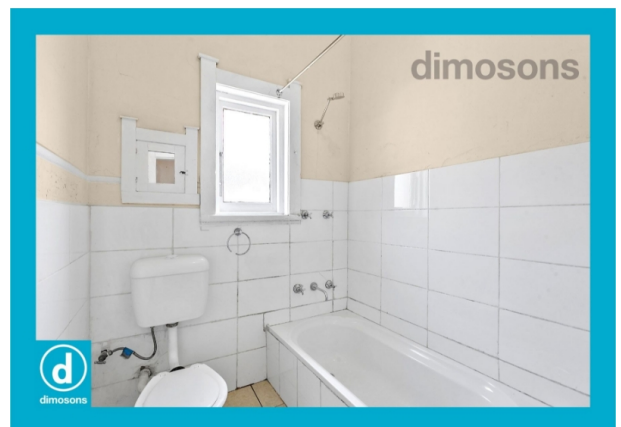

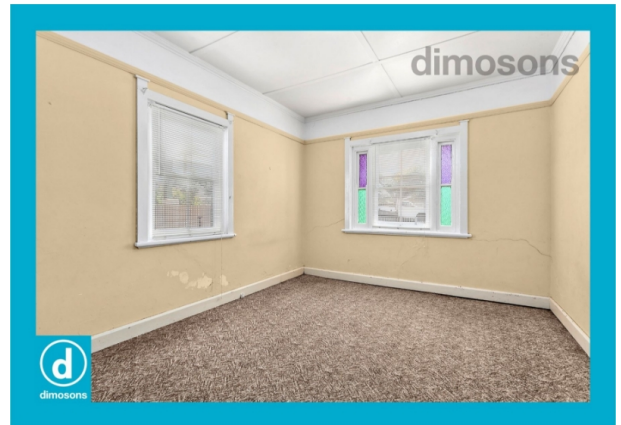

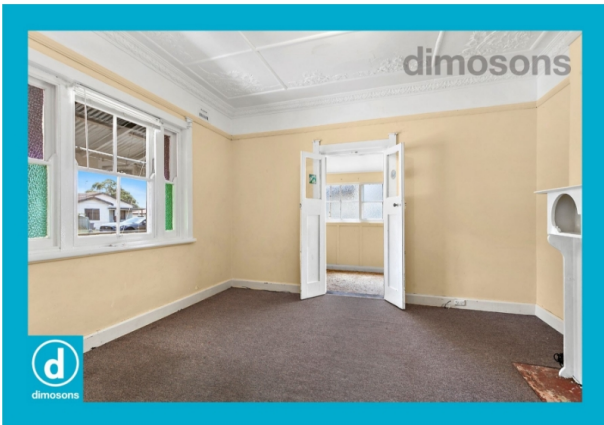

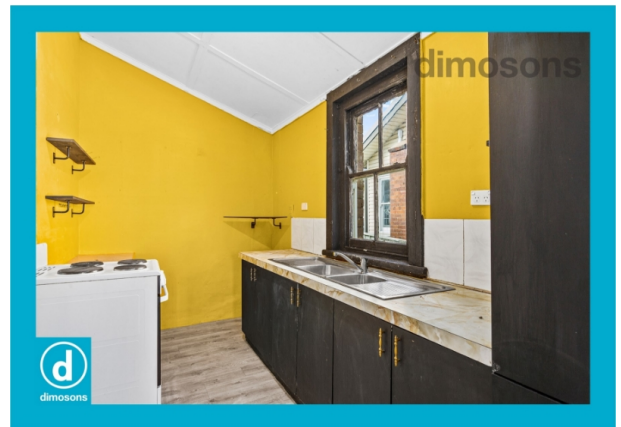

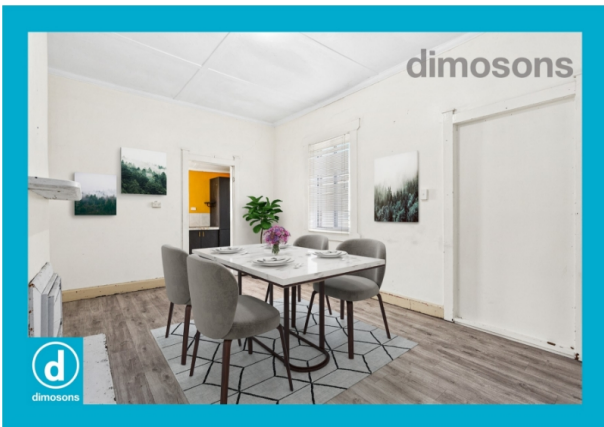

Let's elaborate. As well as the natural light-filled combined living/dining space, there is also a room that could suit you in two ways – either as the large main bedroom with walk-in robe OR as a lounge room with added storage. Style this house to suit your needs.

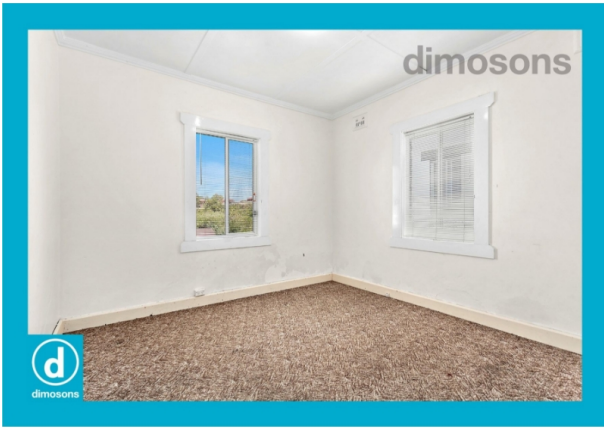

In all, there are potentially three bedrooms here – all with high ceilings and unique lead lights in some windows. Add to this a compact kitchen, bathroom (with shower over bath), and separate laundry, and your inside tour is complete.

That’s not to say you’re out of spaces to enjoy though. You could relax in your seat with a cool drink out front on the covered wraparound veranda, or make the most of the sizeable back yard.

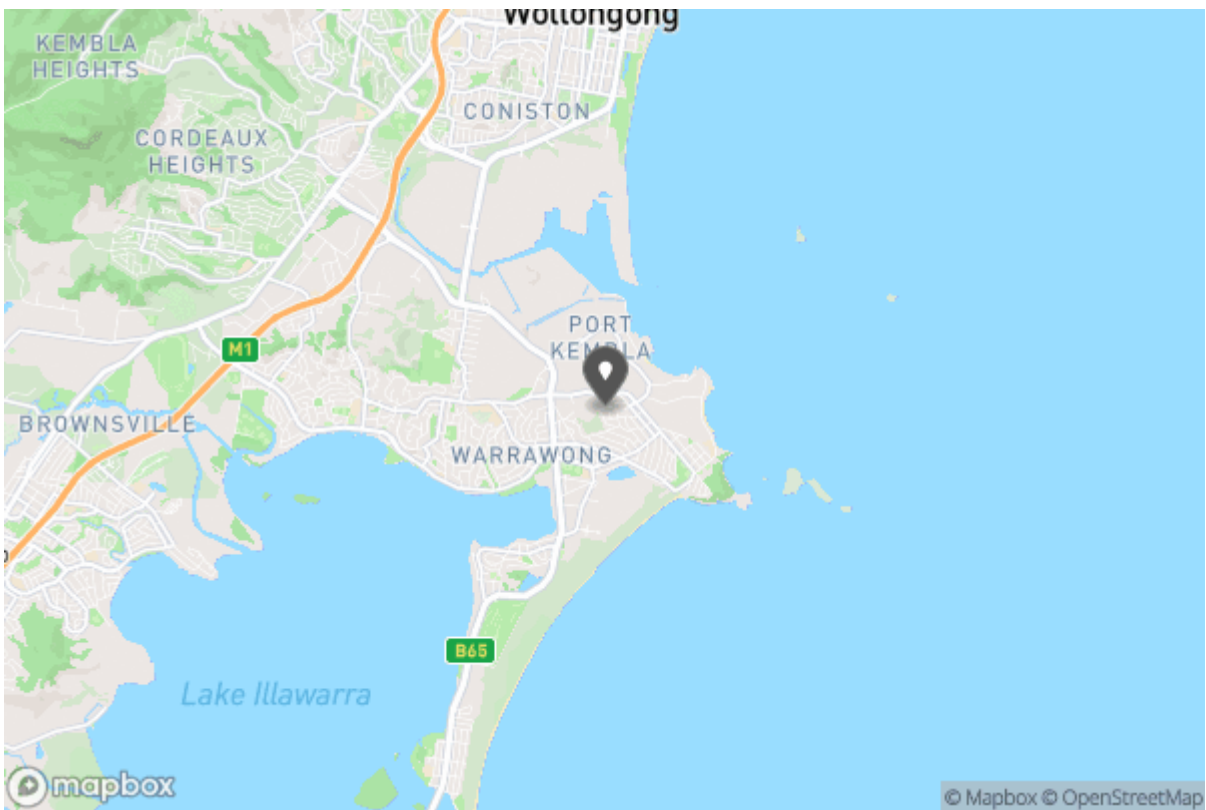

This is a character-filled house. The big question is whether it will be filled with you! Find out more by contacting the Dimosons Property Management Team today on 4258 0088.
