If you're looking for a chance to start a new chapter with your family with the emphasis on NEW then your search may be over. Located in the premium streets of fast-growing Calderwood estate near Albion Park, this family-friendly home is 100% quality. And as its occupants, you'll have nothing to do but move in and enjoy the spaces designed for 2019 living.

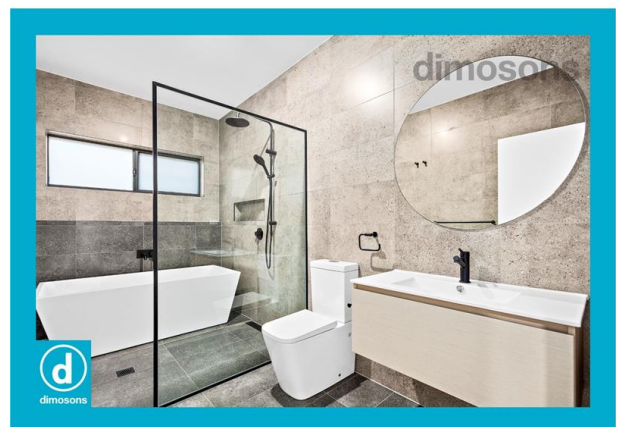

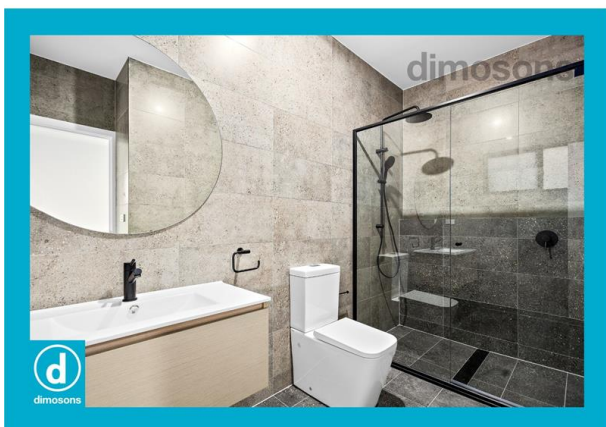

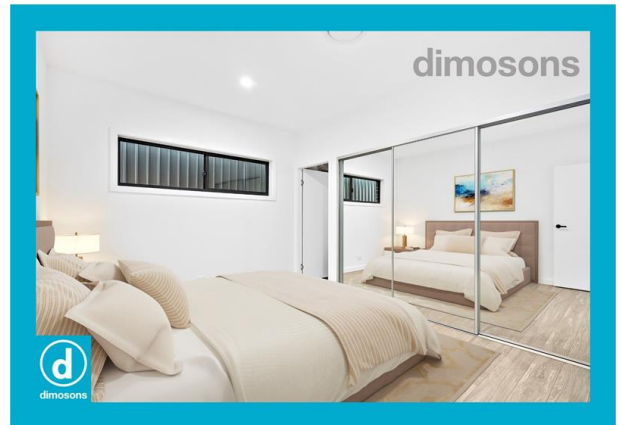

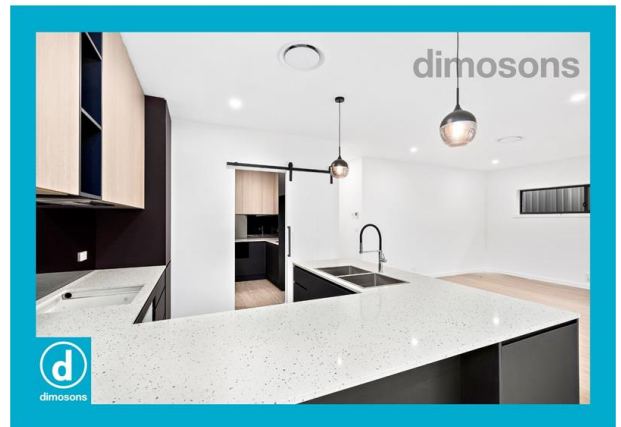

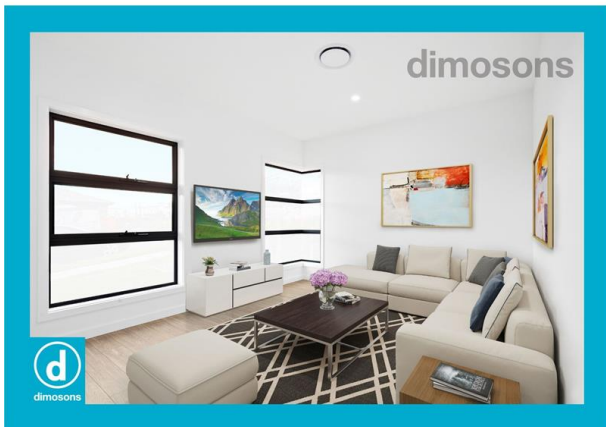

Built on one level, including internal access single garage and a small yard, this home is all about comfortable contemporary living. Ducted air conditioning throughout the home takes care of the comfort, while high ceilings and floating floors add the sense of space and clean lines throughout.

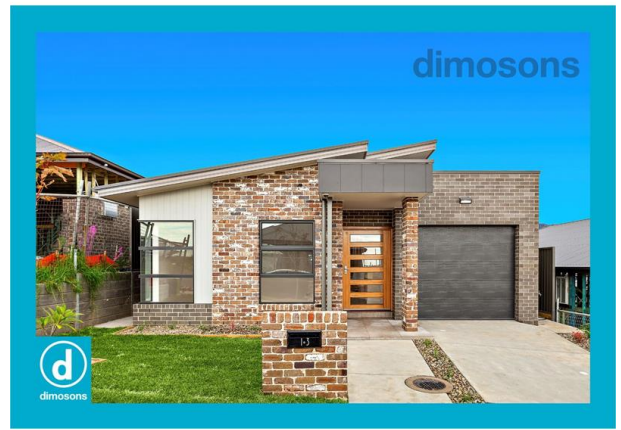

As well as a separate lounge area, you can also enjoy the open plan living space that flows directly out to a covered alfresco dining zone, complete with its own gas point and ceiling fan – perfect for summer barbies. Back inside, the kitchen doesn't disappoint either, with mirrored splashback, 20mm stone benches, soft close drawers, dishwasher, feature pendants and yes – that's a butler's pantry behind the sliding barn door. Bon Appetit!

The bar has been raised high already, but the four bedrooms keep it aloft, with mirrored wardrobes in all and a study nook in bedroom 2. The master takes things further with a luxury tiled ensuite featuring rain shower and black tapware. Meanwhile, the main bathroom carries on this theme, adding a freestanding bathtub to the already sublime mix.

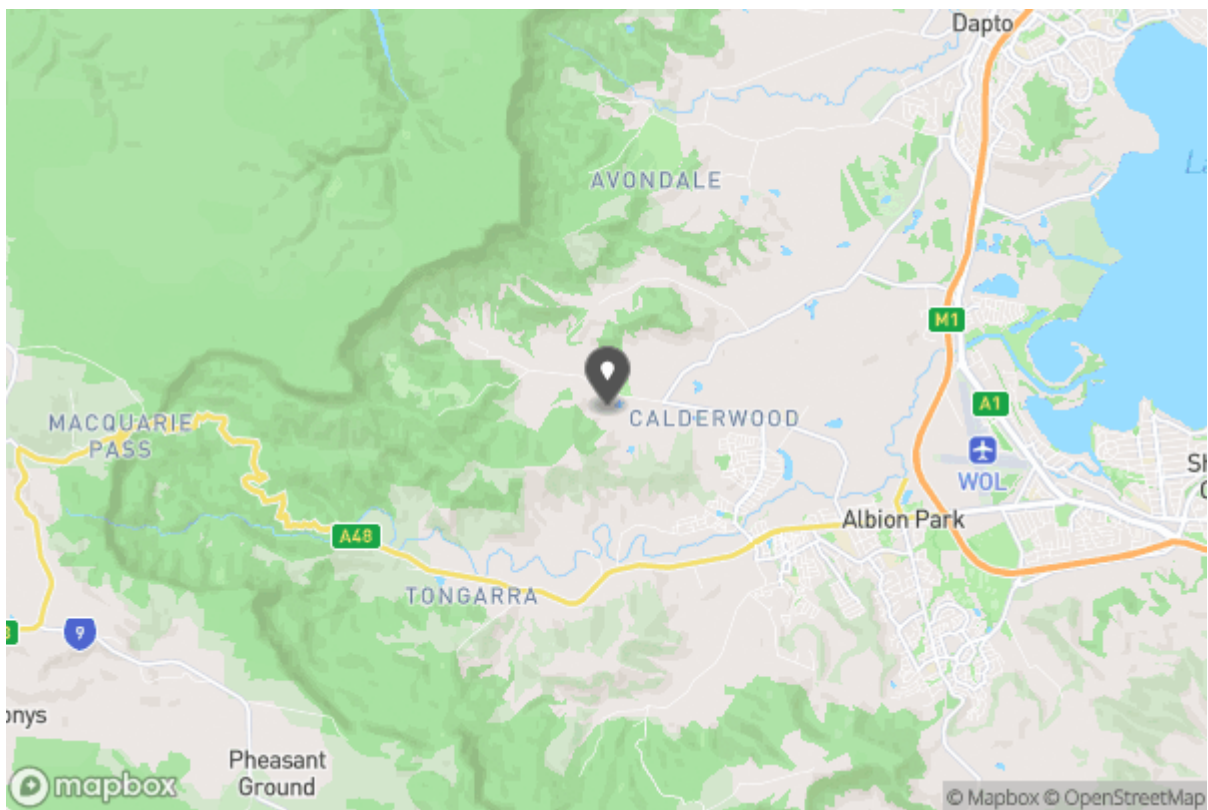

Everything has been thought of here in this cleverly designed modern family home. The only thing missing is you! If you're ready to answer the call of Calderwood, get in touch with our world-class Dimosons Property Management Team on 4258 0088 today!
