Please be advised that due to the COVID-19 Pandemic and the strict instructions from the Government Devine Real Estate will be holding monitored public open home inspections where social distancing rules will continue to apply. To confirm your attendance, and ensure that you are able to inspect the property, please ensure you register your details for the inspection.

For those that do not register please note, if a large number of registered people attend the inspection this could result in you not being able to view the property at the advertised open home time (it will depend on the size of the property and the number of people attending the inspection). Our agents have a scheduled time allocated for each public open home inspection and although the agent would like to stay to show you through the property they need to get to their next appointment.

We really want everyone interested in a property to be able to see it so please register your details for the monitored public open home inspection so you donâ€™t miss out!
